Revenues are only distributed after they are received, verified and posted. Most energy companies normally issue payment of royalties on or about the 25<sup>th</sup> of every month, and depending on mail delivery, a varying amount of royalties are not received until after the revenue posting on the last business day of the month. The revenues received after that date will be posted within 30 days of receipt.

During the month of April, the respective shelter-at-home/work-from-home orders across the spectrum of the industry has significantly affected the posting of revenues for the Trust, until the following month of May. As adjustments are made accordingly, the functions of the Trust are still being performed, although on a delayed basis. We will continue to strive to make the operations of the Trust and its providers, as fluid as possible.

Due to the timing of the end of the month of April, approximately \$756,000 of revenue received will be posted in the following month of May in addition to normal receipts during May. Since the close of business in April and prior to this press release, there has been approximately \$2,300,000 in revenue received.

Sabine Royalty Trust, as it does after the end of each year, had a year-end Reserve Report prepared in accordance with the Securities and Exchange Commission's requirements. This report provides an evaluation of the estimated asset value as of December 31 of each year, which can be used to estimate the remaining life of the Trust.

The estimated net proved reserves, as of January 1, 2021, attributable to the Trust from the properties appraised are approximately 6.3 million barrels of oil and 39.8 billion cubic feet of gas with a future net value of approximately \$229,432,000 with a discounted value at 10% of \$120,769,000. With these estimated quantities of this year's reserve estimate of 6.3 million barrels of oil and 39.8 billion cubic feet of gas remaining, it could be estimated that the Trust still has a life span of 9 to 12 years. The report is an exhibit to the Trust's Annual Report on Form 10-K that was filed on March 26, 2021 and is available to all unitholders at this time on the SEC website and Sabine's website.

The 2020 Annual Report with Form 10-K and the January 1, 2021 Reserve Summary are now available on the Sabine website at <http://www.sbr-sabine.com/>.
