

**SABINE ROYALTY TRUST ANNOUNCES
MONTHLY CASH DISTRIBUTION FOR JANUARY 2025**

Dallas, Texas, January 3, 2025 – Argent Trust Company, as Trustee of the Sabine Royalty Trust (NYSE: SBR), today declared a cash distribution to the holders of its units of beneficial interest of \$0.448330 per unit, payable on January 29, 2025, to unit holders of record on January 15, 2025. Sabine's cash distribution history, current and prior year financial reports and tax information booklets, a link to filings made with the Securities and Exchange Commission and more can be found on its website at <http://www.sbr-sabine.com/>. Additionally, printed reports can be requested and are mailed free of charge.

This distribution reflects primarily the oil production for October 2024 and the gas production for September 2024, which is considered current production. Preliminary production volumes are approximately 76,247 barrels of oil and 1,617,815 Mcf of gas. Preliminary prices are approximately \$67.70 per barrel of oil and \$1.61 per Mcf of gas.

This month's distribution is higher than the previous month's primarily due to an increase in oil and gas production, as well as an increase in the pricing of natural gas, along with a decrease in ad valorem taxes paid by the Trust, partially offset by a decrease in the price of oil.

The table below compares this month's production and prices to the previous month's:

	Net to Trust Sales		Average Price (a)	
	Volumes (a)		Oil	Gas
	Oil (bbls)	Gas (Mcf)	(per bbl)	(per Mcf)
Current Month	76,247	1,617,815	\$67.70	\$1.61
Prior Month	68,183	1,536,640	\$71.76	\$1.39

(a) Sales volumes are recorded in the month the Trust receives and identifies the related royalty income. Because of this, sales volumes and pricing may fluctuate from month to month based on the timing of cash receipts.

Revenues are only distributed after they are received, verified, and posted. Most energy companies normally issue payment of royalties on or about the 25th of every month, and depending on mail delivery, a varying amount of royalties are not received until after the revenue posting on the last business day of the month. The revenues received after that date will be posted within 30 days of receipt.

Due to the timing of the end of the month of December, approximately \$232,000 of revenue received will be posted in the following month of January, in addition to normal cash receipts received during January. Since the close of business in December and prior to this press release, approximately \$116,000 in revenue has been received.

Approximately \$259,000 for 2024 Ad Valorem taxes was deducted from this month's distribution as compared to \$223,000 this time last year. The trustee has been advised that some of the tax renditions have been delayed somewhat this year, so the amount to be deducted in the February 2025 distribution may be different relative to the same time period last year. Ad Valorem tax payments are normal expenditures at this time of year.

The 2023 Annual Report with Form 10-K and the January 1, 2024, Reserve Summary are available on the Sabine website at <http://www.sbr-sabine.com/>.
